## **James Suckling: 94 Punkte**

*“Striking nose of fine green beans and snow peas with some bready complexity. Serious concentration and finesse on the medium-bodied palate that is so elegant and precisely proportioned. Plenty of oyster-shell and savory character at the long, complete finish. Sustainable. Drink or hold.”*

## **Falstaff: 92 Punkte**

*“Helles Grüngelb, Silberreflexe,. Zart nach Grapefruitzesten, Nuancen von frischer Birne, nussiger Touch, ein Hauch von Quitten. Engmaschig, sehr rassige Struktur, salzig-zitronig, lebendig, ein frischer Begeleiter bei Tisch.*

The grapes are small and cylindrical and ripen until mid-October. The variety loves skeletal soils. The wines have slightly nutty to bready aromas, are elegant, spicy and quite extractive.
