A GLASS OF FLEIN

Flein is varietal grape juice of the highest quality. Three wine-growers from the Alpine region, all of them long-time friends, refine their region-typical grape varieties into juices which open up new dimensions of taste - either as an aperitif or food companion.

The grapes for Flein come from vineyards that were selected specifically for the production of the juice. The cultivation of the vines, like the harvest, is done carefully by hand. Gently pressed like champagne and pasteurised using the latest technology, Flein enables variety-typical aromas. Flein comes with a surprising freshness, elegance, and lively acidity.

GRAPE VARIETIES

The large, dense, dark blue Zweigelt grapes give this sparkling Fizz Rosé its attractive pink color. Incidentally, Zweigelt is the most widespread red wine variety in Austria and thrives particularly well in nutrient-rich soils.

FOOD PAIRING

Refreshing as an aperitif, perfect with antipasti and prosciutto crudo as well as light starters with cream cheese or smoked fish

JUICE DESCRIPTION

Rosy pink fruit basket with ripe cherries, strawberries and pink grapefruit. Tastes like it smells. Rhubarb, redcurrant and red apple join in with a juicy and playful flavour. The lively perlage brings fun into the glass and makes for an incredibly fresh drinking experience.

GROSS & GROSS

Gross & Gross, that are two sisters. Two brothers. And two married couples. Put simply: a large family. In addition to sharing the name, Johannes, Martina, Maria and Michael share the work in the vineyard and the joy of trying something new. This includes the non-alcoholic alternative Flein.
